

## COMPANY OVERVIEW

---

# Leabeater Holdings LLC

Leabeater Holdings LLC is a parent company that builds, owns, and grows businesses solving meaningful real-world problems. Our portfolio is united by better systems, sharper decisions, and lasting value across healthcare operations, business intelligence, software, media, photography, and music.

## Our Mission

To operate a disciplined family of companies that pair operational rigor with creative range, delivering measurable outcomes for clients, partners, and the communities we serve.

## Leadership

Founded and led by Joshua Feron Leabeater, Founder & CEO. A military veteran and healthcare operations leader, he built his career in sterile processing, infection prevention, and multi-site operational leadership before founding Leabeater Holdings.

## At a Glance

- Multi-division holding company spanning healthcare, software, and creative media.
- Veteran-founded and operator-led.
- Headquartered in the United States, serving clients nationwide.

# Divisions & Brands

## Sterile Consulting Works

Healthcare operations and sterile processing consulting: infection prevention, survey readiness, workflow design, and staff training for surgical and central sterile departments.

## Clear Line KPI
